

**“Thanks to COD’s pLEDGE program,
I can pursue my dream career
in science.”**

Viviana Dominguez knew she was going to need financial support to enroll full time and focus on her STEM studies.

Thanks to pLEDGE, she can afford to go to college while also serving as one of the President’s Student Ambassadors, participate in Biology, Chemistry, and MESA clubs and move one step closer to her career dreams.

Last fall, more than 1,000 students were able to begin their freshman year at COD - tuition free, thanks to pLEDGE.
