MERCHANT HANDBOOK RULES AND REGULATIONS Fall/Spring 2021-2022

These 2021-2022 Street Fair Merchant Handbook Rules and Regulations (Fall-Spring and Summer Season) (collectively the "Merchant Regulations") apply to all Merchants ("Merchants") participating in the College of the Desert Alumni Association Street Fair ("The Street Fair"). The Street Fair is owned and operated by the College of the Desert Alumni Association, a California nonprofit corporation ("Alumni Association"). The Alumni Association operates and manages The Street Fair through its officers, employees, and agents ("Street Fair Management"). As distinguished from an auxiliary, College of the Desert Alumni Association is an independent organization separate and apart from College of the Desert. College of the Desert appreciates the support provided to the College through the rental and other revenue generated by The Street Fair.

These Merchant Regulations are organized into two sections which are separately entitled General Principles and Rules and Regulations. The General Principles section sets forth a number of general guiding principles which govern the overall operation of The Street Fair. The Rules and Regulations section sets forth a number of specific requirements imposed on all Merchants in connection with The Street Fair. All merchants must read, understand, and comply in full with both the General Principles and the Rules and Regulations sections of these Merchants Regulations.

Any questions regarding these Merchant Regulations should be directed to the Alumni Association at the office located at **43-500 Monterey Avenue, Palm Desert, CA 92260 ("Alumni Office")**.

GENERAL PRINCIPLES

The Alumni Association is committed to customer service and satisfaction. Street Fair Management will assist customers in seeking to resolve any problems or complaints directed toward any merchant. Merchants must work professionally, cooperatively, and reasonably with both the customer and Street Fair Management in resolving any such complaints. Merchants should understand that their own customer complaints can impact the business of other merchants at The Street Fair as well as the community's perception of The Street Fair as a whole.

Merchants are required to follow the directions of Street Fair Management while on the grounds of the College of the Desert campus.

Merchants must comply with all federal and state laws and statutes concerning child labor and any unlawful employment of a minor in violation of law is a violation of these Merchant Regulations.

Merchants must comply with The Americans with Disabilities Act (ADA), which provides for equal access and opportunity for individuals with disabilities in public accommodations.

All merchants must understand and comply with any and all state or federal laws relating in any manner to their goods and services. By way of example, merchants of artwork must understand and comply with all copyright and/or trademark laws which may govern the reproduction and/or sale of such artwork. It is never an adequate excuse that you did not understand that law. If you have a question about your goods, merchandise, or services, you must retain an attorney or other qualified professional to assist you in ensuring that your business operation is in full compliance with the law.

THE ACCEPTANCE, RENTAL AND USE OF ANY SELLING SPACE AT THE STREET FAIR CONSTITUTES AN AGREEMENT BY ANY AND ALL MERCHANTS (WHETHER MONTHLY OR STANDBY) AND ALL PERSONS HELPING OR WORKING WITH SUCH MERCHANT TO COMPLY WITH ALL OF THESE MERCHANT REGULATIONS AS WELL AS ANY AND ALL STATE AND FEDERAL LAWS.

The vast majority of space rental fees collected after payment of expenses go to support College of the Desert students and College of the Desert.

RULES AND REGULATIONS

PAYMENT OF MONTHLY SPACE RENTAL FEES

1. All monthly space rental fees must be paid on or before the 15th day of the preceding month (i.e., the payment for November is due on or before October 15th). The payment must be IN our office by this date. Please take into consideration any holidays, office, or campus closures. If the 15th falls on a holiday or nonbusiness day, payment is due on the business day immediately following the 15th.
2. Street Fair Management will not accept any payment from monthly merchants during Street Fair operating days.
3. If you wish to make your rental payment in person, you may pay with cash, check made out to COD Alumni Association, or credit card.

4. If you wish to mail your rent payment, be sure to address the envelope to the COD Alumni Association.
5. If you wish to make a credit card payment over the phone, please have the card number, expiration date, name on the card, and full billing address available.
6. Please note that this season office hours will be limited, please be sure to check the alumni office hours schedule provided with your acceptance letter in order to make payment arrangements by the due date each month.

2. Any merchant who is late more than three times during a season may lose the right to occupy their selling space for the remainder of the season.

An additional \$15.00 fee will be imposed for any check that is marked insufficient funds by the bank and is put through a second time in an attempt to clear it. An ISF check cannot be replaced with a check. Payment must be replaced with either cash or credit card and all future payments must be made by either cash or credit card.

DROPPING OF SELLING SPACE

1. Monthly merchants who wish to cease conducting business at The Street Fair must notify Street Fair Management by the 15th of the preceding month. (i.e. notification for November should be on or before October 15th.) Prompt written notification may assist the merchant in avoiding penalties and such courtesy and cooperation may be considered by the Alumni Association should such merchant ever seek to reapply for selling space at The Street Fair.
2. If the monthly space rental fee has not been paid and the merchant does not show up for the first weekend of the month, Street Fair Management will assume that the merchant has quit, and the merchant will be automatically removed from monthly status.
3. There will be no refunds or credits, regardless of merchant's reason for ceasing business at The Street Fair.

PERMITS, INSURANCE, OTHER DOCUMENTS REQUIRED

Before commencing to sell merchandise and/or services at The Street Fair, each merchant must have on file in the Alumni Office documentation demonstrating compliance (to the extent applicable to such merchant) with each of the following requirements of law and/or the Alumni Association:

1. **SELLERS PERMIT.** Merchants must have and maintain a Sellers Permit from the California State Board of Equalization designating their business address on that certificate as 43-500 Monterey Avenue, Palm Desert, California 92260. Merchants shall not receive mail at this address and must list a separate mailing address with the State Board of Equalization. The telephone number for the local office of the California State Board of Equalization is (760)770-4828. A photocopy of a valid Sellers Permit must be submitted to the Alumni Association with your application.

Merchants must maintain a valid sellers permit for the entire period during which they sell product at The Street Fair. If any merchant's permit is found to be expired or cancelled, they will be unable to participate until permit is reinstated.

2. **HEALTH PERMIT.** Merchants selling food products that do not fall within the purview of the Alumni Association's health permit must obtain a Health Permit from the Environmental Health Department. A photocopy of a valid permit must be turned

in to the Alumni Association with your merchant application. This permit must be posted in the merchant's space and must be clearly visible to the public.

Merchants selling food that is within the purview of the Alumni Association's health permit are required to pay the Alumni Association an additional \$46 per month to cover the cost of said health permit. Such payment shall be made concurrently with payment of their selling space fee. Health inspections are periodically conducted by the Department of Environmental Health, irrespective of whether you have a permit.

Any questions about whether a certain type of food may be sold, if your product falls under the Alumni Association's health permit, and any cart approval must be answered by the Health Department. The telephone number for the Indio office of the Health Department is (760) 863-8287.

3. **AGRICULTURAL PERMIT.** Any merchant reselling produce or nursery products must obtain a permit from the California Department of Food and Agriculture. A photocopy of a valid permit must be turned in to the Alumni Association with your application. This permit must also be posted in the merchant's space and be clearly visible to the public. Any questions regarding this permit should be directed to the Department of Food and Agriculture.
4. **ACKNOWLEDGMENT OF MERCHANT HANDBOOK RULES AND REGULATIONS.** All merchants must sign and return the acknowledgment with the application.
5. **DRIVER'S LICENSE.** All merchants must provide the Alumni Association with a black and white copy of their Driver's License or DMV Identification Card with their application. The Alumni Association reserves the right, in its sole and absolute discretion, to release to Street Fair customers and/or other parties' copies of any information and/or photographs submitted with the application package.
6. **MERCHANT RELEASE AND INDEMNITY AGREEMENT.** Merchants must sign and return with their first month's payment the Merchant Release and Indemnity Agreement that will be provided with your acceptance letter.
7. **AGENT RELEASE AND INDEMNITY AGREEMENT.** Merchants must return with their first month's payment a separate Agent Release and Indemnity Agreement for each employee and/or helper of merchant. These Agreements are to be executed by the employees and/or helpers, and the form of this document, which may be duplicated, will be provided with your acceptance letter. It is the merchant's responsibility to notify the Alumni Association of any new employees or helpers and supply the Alumni Association with a signed Agent Release and Indemnity Agreement for that employee and/or helper. Please keep the original blank form on hand so that as new employees, agents, and/or helpers come on board throughout the season you can have them complete the form and return it to the Alumni Office.

8. **TENT SET-UP DECLARATION.** Merchants must sign and return with their first month's payment the Tent Set-up Declaration. If a merchant retains someone to set-up his tent and/or canopy, the merchant must provide such person with a copy of this Tent Set-up Declaration before any set-up is done. The merchant shall further require such person (or business if applicable) to be covered by the required one million dollar (\$1,000,000) policy of liability insurance naming both College of the Desert and the College of the Desert Alumni Association as additional insured's and submit to the Alumni Office proof of insurance before any set-up occurs. In the event of changes in tent-set up personnel, merchants must immediately complete and submit to the Alumni Association a new Tent Set-up Declaration. Any merchant who fails to comply with these provisions will be fined \$25.00 and may not be renewed at the end of the month. Tent Set-up contractors are required to pay the Alumni Association a fee for doing business on the College of the Desert property. It is the merchant's responsibility to ensure that the tent set-up business they employ is in good standing with the COD Alumni Association. If the individual who sets up your tent does not set up anyone else, then he is exempt from this requirement to the extent he is an employee of the merchant and is insured for this activity under the merchant's liability insurance. Merchants who employ tent set-up businesses are responsible to make sure that the business which they employ is in good standing with the COD Alumni Association by having valid insurance on file with the Alumni Office, having the Tent Set-up business up-to-date with their fees to the Alumni Association, and having them obey all rules contained within The Street Fair Merchant Handbook Rules and Regulations. Failure of the tent set-up business to be in good standing with the COD Alumni Association may jeopardize the merchant's continued participation at The Street Fair and their space may not be renewed at the end of any given month.

Only tent set-up merchants who have been preapproved by Management may open a business at The Street Fair. Yearly liability insurance and Merchant Release and Indemnity Agreement are required by Street Fair Management for all tent set-up businesses. As independent contractors, all tent set-up businesses must comply with all federal and state labor laws. (See Appendix A attached)

9. **LIABILITY INSURANCE.** All merchants must provide the Alumni Association with a Certificate of Insurance with a minimum one million dollars (\$1,000,000) policy of liability insurance naming both **College of the Desert** and **College of the Desert Alumni Association** as additional insured's, before final acceptance is granted and before participation at The Street Fair. The Certificate of insurance must be kept current at all times. Food merchants may not use daily insurance, as it does not include product liability. **Should a merchant's liability insurance lapse the merchant must come to the standby window before 7:00am to pay the daily insurance rate.**

*All merchants are required to maintain on file in the Alumni Office a current address and telephone number and an emergency number. It is merchant's responsibility to maintain current address information in the Alumni Office. Information contained in the merchant application is not treated as confidential or private and may be made available to the general public.

STAND-BY MERCHANT INFORMATION

PROCESS:

1. Stand-by merchants must be in line by 6:45 am at the Alumni Box Office with a completed Stand-by application in preparation for a lottery style drawing. Applications will be collected, and once roll is taken you will be called to the window based on your lottery number to receive a space for the day. Only one member per family or business group may draw a number.

When called to receive your space assignment you must present:

- A copy of your **California Resale Permit** with the college address on it along with the **Seller's Driver's License**. **YOUR CALIFORNIA RESALE PERMIT MUST BE DISPLAYED IN OPEN VIEW OF THE PUBLIC DURING BUSINESS HOURS.**
 - A copy of your **proof of liability insurance**. The policy must name College of the Desert AND COD Alumni Association as additional insured. You must bring a copy for us to keep each day. If needed, liability insurance may be purchased at The Street Fair for \$10.00 a day.
2. Merchants are then assigned spaces in the overflow area. Management may also assign stand-by merchants to reserved spaces when a monthly merchant is absent based on the overall attendance that day. At this time the space fee must be paid by cash or credit card. The daily fees, which include a \$2.00 City of Palm Desert open-air seller's fee are as follows:

October, November, December, April, and May: \$75.00

January, February, and March: \$85.00

REMINDERS:

Space Assignments: All stand-by merchants are considered temporary merchants and, receive a random selling space assignment. Your lottery number does not determine location. Stand-by merchants have no claim to any particular selling space assignment on a repeat basis and may not request certain spaces. Management will make decisions on where merchants are placed at their sole discretion. You may not return to the window to request a different space once you have been given your assignment.

Booth Sharing: Sharing of any space is not permitted. Please do not approach any regular monthly merchant or other stand-by merchant asking to share their space. If anyone is observed selling from an unauthorized space, they will be permanently terminated from selling at The Street Fair.

Parking: After a space is assigned, merchants should bring their vehicle in to unload and move it to merchant assigned parking before 7 am. If your assigned space can accommodate your vehicle, you may park it behind your setup. All cars parked in The Street Fair must be covered on all sides.

Food Merchants: No food or produce merchants will be allowed in on stand-by.

Massage Merchants: All massage therapists must comply with specific rules and have all required permits and licenses.

Rules and Regulations: It is the merchant's responsibility to ask for a copy of The Street Fair Rules and Regulations. All rules and regulations apply to stand-by merchants as well as monthly merchants. Monthly merchants and/or their associates are not permitted to secure stand-by spaces. Management reserves the right to limit items sold by merchandise selection. Stand-by merchants who are not awarded a selling space may not work on the same day in a monthly merchant's booth.

COVID-19

By submitting an application and accepting a space merchants acknowledge and agree to follow all national, state, and local guidelines put in place by health officials. Merchants agree to follow all health and safety guidelines put in place by management. Please be advised that protocols are being updated daily and changes may be made through out the season. Merchants will be notified in writing of any and all health requirements and they must be implemented immediately.

MERCHANDISE

1. **MERCHANDISE DESCRIPTIONS.** On your application, you must specifically provide a detailed description of the items you propose to sell at The Street Fair. Street Fair Management will determine how your merchandise descriptions are interpreted. For example, if you list toys and you do not have Beanie Babies listed as a specific item, you may be denied the right to sell Beanie Babies in your space. Please be clear and specific in your merchandise descriptions. Include brands, styles, and other details when possible.

2. **CHANGES TO MERCHANDISE.** Monthly merchants cannot change or add product brands or style without Street Fair Management's advance written approval. Merchants wanting to change or add products to his/her current list must submit these changes in writing for approval by The Street Fair Manager prior to putting new items on display.

A separate section on the Merchandise Listing sheet of the application is provided to list any new items you wish to add to your items to be sold. To be approved, all new items must be listed in this section. The deadline for any additions or changes to your product line for the Fall-Spring season is January 31, 2022.

3. **TRADEMARK/COPYRIGHT/RELATED LAWS.** No merchant shall sell, or offer for sale, any item which may be in violation of any state or federal civil or criminal law relating to infringement or violation of any patent, copyright, trademark, trade name, image, pattern, or any law governing counterfeit merchandise. Merchants must be completely knowledgeable of the origins of their merchandise and the laws governing such merchandise. The Alumni Association reserves the right to terminate the selling space of any merchant who it believes has, or may have, violated any such law. Merchants agree to hold harmless, indemnify, and defend both College of the Desert and the Alumni Association from and against any and all claims involving any alleged violation of law.

The Alumni Association and Street Fair Management are not responsible for enforcing any merchant claims against or between one another, whatever such claims may be. All merchants are required to bring any such claims or lawsuits on their own behalf and at their own expense, and to hold harmless and indemnify the Alumni Association and Street Fair Management as to any such claims or lawsuits. A certified copy of any

order or judgment issued in any such lawsuit related to the type of merchandise sold at The Street Fair shall be promptly delivered to Street Fair Management when signed and filed by the court.

If there are any questions about the authenticity of a product or service, and/or a problem with a manufacturer or distributor of said product or service, you may be required to pull that product or service from public sales at The Street Fair until all issues have been resolved.

ATTENDANCE POLICY

1. Merchants are asked to notify the Administrative Assistant by email at least one week prior to their absence to help in the condensing of the market.
2. Excessive absences may result in a fine and possible relocation of selling space.

ART MERCHANTS.

“The Alumni Association deems it to be a violation of The Street Fair Merchant Handbook to paint on or over anyone else's painting in such a way as to create an impression that you painted the entire painting yourself and/or to sign your name to such artwork as if it were your own.” A sign with the above quoted language must be displayed in a prominent place within your booth.

Copyright is defined as “the exclusive legal right to reproduce, publish, and sell a literary, musical, or artistic work.” Technically, anything you produce is copyrighted as soon as you produce it if it falls under the category of being a literary, musical, or artistic work,

and any other applicable requirements of law. The owner of a copyrighted work generally owns the right to its reproduction, display, distribution, and adaptation to derivative works.

Merchants are required to abide by all copyright laws. No copyright infringing items may be sold or offered for sale at The Street Fair. The sale of copyright infringing items is a material breach of these merchant Regulations.

Suspected infringing items are subject to seizure by Street Fair Management (in its sole discretion) and may be held by Street Fair Management. Any violation(s) of copyright laws is grounds for immediate closure of a booth. No refunds will be paid if a booth is closed for selling infringing works. Management will not be liable to merchant for any refunds or in any other manner for the seizure of allegedly infringing works or the closure of a booth based on claims of copyright infringement. Merchant agrees to indemnify and hold the Alumni Association harmless from any damages, costs, expenses (including reasonable attorney fees), judgments and/or settlements which the Alumni Association incurs as a result of claims that merchant is selling infringing items.

3. No hawking will be permitted; this includes making any comments or asking any questions to customers in the aisles to attract them to your selling space. Customers should approach you, and at that time you may give a demonstration/sample of your product or service.

FOOD MERCHANTS

1. Space for food merchants is limited. The space size applied for will try to be accommodated based on availability.
2. Each merchant selling food to be consumed at The Street Fair must provide a detailed menu of items to be sold. This list should be concise and include only items that the merchant actually plans to sell during the season. Street Fair management may limit the number of menu items at their discretion.

The Alumni Association does not currently require a copy of a license or permit from a merchant who only provides Vertical Massage (i.e., where customer is in a chair, fully clothed, and having only head, neck, upper back massaged). However, all such merchants are independently responsible for obtaining any and all permits and/or licenses required by state, federal, or local law for Vertical Massage, if there are any.

NON-COMMERICAL USE OF STREET FAIR.

Street Fair Management reserves the right, in its sole and exclusive discretion, to allow nonprofit organizations to sell products in the common areas without being required to complete a merchant application or to pay a merchant fee. By way of example, Street Fair Management may allow Girl Scouts of America to sell Girl Scout cookies at The Street Fair without requiring them to satisfy the requirements imposed on merchants.

SPACE ASSIGNMENTS

1. Street Fair Management will try to place merchants, whenever possible, in a non-competitive location. However, due to so many similar products (clothing, jewelry, etc.) this may not be possible. Street Fair Management will always try to place merchants in the best possible location for their products and for the good of The Street Fair.
2. Merchant selling spaces and/or booth sizes may vary. Space size and configuration is acknowledged and agreed to by merchant when payment is made for the assigned space. Existing spaces are not subject to merchant reconfiguration. Street Fair Management makes all determinations as to space assignments, sizes, and configuration. A merchant who wishes to upsize or downsize his space may be relocated within The Street Fair to an available smaller or larger space.
3. Selling spaces are marked by number and/or letters painted on the ground in white paint. Merchant's vehicles and/or merchandise must remain within space boundaries and behind the visible white line. Merchants are not permitted to conduct business outside their assigned spaces.
4. Assigned space is for the sole and exclusive use of the individual merchant whose application was approved. Anyone selling merchandise for another person or company must have identified the actual owner of the merchandise on the application.

5. Merchants are prohibited from selling, assigning, renting, or otherwise transferring any merchant space. Neither the exchanging nor the sharing of merchant space is permitted. In the event of any change in ownership of the merchandise or the business operating out of a given space, a new application package must be completed by such new ownership.
7. Merchants do not have any ownership rights to a selling space, nor do they have any seniority status. Current selling spaces may be reassigned at any given time. Overnight camping, parking, or storage of any vehicle or equipment is prohibited. Merchant's status at The Street Fair is merely that of a seller of merchandise and/or services, and not as a tenant, licensee, or other form of permissive user.
8. Space assignments may be shifted or changed throughout the season as management works to accommodate all state and local regulations regarding the Covid-19 regulations. Management will give as much advance notice as is possible.
7. Monthly merchants and/or their associates, employees, helpers, etc., in the discretion of Street Fair Management, may be precluded from renting any additional space through the Standby Line.
8. Standby merchants who are not provided selling space may not work on the same day in any booth in The Street Fair, nor are they allowed to set up and/or sell in any other open space on the College of the Desert campus.
9. Merchants are not guaranteed space in the location of their choice. The Street Fair Manager has the authority to assign and reassign spaces. Any merchant requesting reassignment of selling space must notify Street Fair Management in writing.

Service animals are trained to do work or perform tasks for the benefit of an individual with a disability. These tasks may include guiding people with impaired vision, pulling a wheelchair, or retrieving dropped items. Although there are programs that certify service animals, a private entity may not insist on proof of certification before permitting the entry of a service animal into a place of public accommodation. Therefore, it is a violation of law to refuse service due to the accompaniment of a service animal.
3. Any Merchant who needs a service animal must notify The Street Fair manager and provide them with proof of certification from an accredited source that verifies disability and requires service animal to be trained. Service animal should be registered to merchant.
4. Merchants must keep handicapped access curb ramps clear for use by the disabled. All merchants who have their booths set up on the curbs are required to move their display to the edge of the curb in order for disabled people to better view the merchandise.

Appendix A

Tent and Canopy Safety

It's a fact that canopies act like giant sails in the strong Desert winds causing them to blow over, and most accidents at open air markets involve wind-blown tents, canopies and umbrellas. The safety of everyone at the market is our number one priority which is why we require stabilization of all canopies. While canopies serve the important purpose of protecting merchants and their products from the elements of the weather, unpredictable winds can come up at any moment and create a safety hazard. We require all merchants to minimize this risk by having weights attached to merchant canopies at all times. Merchants shall agree to the following policy as stated in The Street Fair Rules and Regulations. There are fines and insurance implications for failing to follow these rules.

All canopies, including umbrellas, at The Street Fair during normal business hours, including during set-up and break down, are required to be sufficiently weighted to the ground. Each leg must have a minimum of 25 lbs. attached. Any merchant who fails to properly weight their canopy may not be allowed to sell at The Street Fair that market day, unless the canopy is taken down for that day. Any merchant found to be in violation of this rule during the selling day will be cited and fined.

In certain weather conditions, even properly secured canopies can be dangerous. If canopies need to be taken down in the middle of the market day, merchants should direct customers out of the way, so they are not injured.

Weights should be secured in a way that does not create its own safety hazard

This means:

- Weights should not cause a tripping hazard
- Weights should be tethered with lines that are clearly visible
- Weights should be securely attached
- Weights should be on the ground, NOT above peoples' heads

Sufficiently weighted canopies will have a minimum of 25 lbs. per leg. Please consider that one manufacturer recommends at least 40 lbs. per leg for a 10x10 canopy to provide proper security of the canopy.

Always Be Prepared

Merchants should ALWAYS have their canopies secured to the ground. It is not enough to have weights on hand in the case of wind. Strong gusts can come at any time and without warning. It is too late to secure weights once your canopy has taken flight.

Examples of Good Canopy Weights

- Filling an empty bucket (2.5 gallon) works great with sand or cement and tying this to each corner of the tent with a rope or bungee. It is NOT sufficient to place the bucket on the feet of the canopy.
- Filling buckets/containers with sand/cement/water that can be anchored or secured with a rope or bungee; these include canvas bags or plastic buckets/containers that have a handle through which a rope or bungee can be secured.
- Sandbag weights that are specially made for securing canopies and weigh at least 25 pounds. These sandbag weights are vertical and can be strapped to the legs of the canopy.
- PVC pipe capped and filled with cement can be hung on the inside of canopy poles as long as it is secured so that it does not collide with customers.
- The best weights are strapped to the bottom of each leg, and then tethered via a bungee to the top corner of the canopy, thus lowering the center of gravity of the canopy. In a strong gust of wind, even canopies secured with enough weight can be broken if the weights are not suspended from the top corners of the canopy.

Examples of Bad Canopy Weights

- Gallon water jugs are not heavy enough for large gusts of wind. One gallon of water weighs 8 pounds. One gallon of water on each corner would be the equivalent of a 3-year-old child trying to hold down a 100 square foot parachute.
- Tying tents, canopies or umbrellas to tables, or coolers provides tripping hazards and frequently does not provide adequate weight. Merchant safety is just as important as customer safety.
- Sandbags that cannot be placed upright and securely tied to the tent or canopy should not be used.
- Keep in mind that cement blocks are hard, easy to trip over, and are very effective toe and shin breakers.
- Avoid stretched out cords and lines at all costs. Customers and their children could get them wrapped around their arms or legs, causing them to trip and fall, and perhaps pull over merchant displays in the process.
